Dear Mr. Malsom:

We have received the Addendum No. 1 dated June 24, 1992, to the solicitation and associated clarifications for the above referenced project. However, due to unsuitable timing and circumstance, we will be unable to submit a bid by July 2, 1992.

Should the bid date extend further, R&R will reconsider its decision to submit a bid. So please keep us informed of any changes in the bid due date.

We would like to be considered for any future environmental, geotechnical, remediation, or other field service projects at this or other sites. Please do not hesitate to contact us when we can be of assistance.

Respectfully,

R&R INTERNATIONAL, INC.
